## Subject: Accreditation Status with the Council of International Schools for Colegio Santa María

To whom it may concern,

This is to certify that **Colegio Santa María** located in Colombia, was re-accredited by the Council of International Schools (CIS) in January of 2021.

This means that the school was found to successfully satisfy the CIS International Accreditation Standards. The school continues to be in good standing with regards to its accreditation. CIS Accreditation is subject to a five-year review cycle.

The award of accreditation may be withdrawn if the school does not continuously meet its responsibilities outlined under the CIS Accreditation Terms and Conditions or provides a written request to withdraw from CIS Accreditation.

### The Council of International Schools (CIS)

CIS is a global non-profit membership organisation committed to high quality international education that provides services, including international accreditation, to primary and secondary schools, and higher education. CIS Member Schools may achieve accredited status following a directed comprehensive self-study and a rigorous peer evaluation. As a leader in the field of school evaluation and accreditation worldwide, we provide a unique international accreditation with a focus on the development of students as global citizens.
